It is the way we are answering the call to reduce our overall resource usage and take aggressive and proactive measures to preserve our environment for future generations. We're doing all we can to make our venues—and the meetings and events that happen here—a whole lot greener.

Around the world, Caesars Entertainment has earned nearly 90 awards, recognitions and certifications for our sustainability policies and environmentally friendly practices:

- Our CodeGreen meetings practice follows Accepted Practices Exchange (APEX) guidelines to promote and enhance environmental and operational efficiencies.
- In Las Vegas, our Caesars Palace Convention Center expansion has earned LEED Silver certification and we are on track to achieve LEED certification for all newly built convention space as well as any expansions.
- In Atlantic City, the new Waterfront Conference Center at Harrah's Atlantic City was built to LEED Silver Certification standards and is designed to use 20.6% less energy than a typical building.

- We are a member of the Global Sustainable Tourism Council to promote and build awareness for sustainable tourism practices and principles.
- We work with cross-sector frameworks such as the Global Reporting Initiative, and we report on programs and practices beyond environmental impact.
- In just five years, we've reduced our carbon footprint by 11.4% and reduced energy use by 19%, and our recycling and waste programs have diverted overall waste at U.S. properties by 24%.
- Our properties have thousands of low-flow water controls and fixtures that have helped to reduce our water use by 7% since 2008.

WE MAKE IT EASY TO BE GREEN.

We can help your meetings be green, too.

Our sales and operations staff are independently certified as Green Meetings Professionals. When you plan with Caesars, we'll find ways to meet your company's and clients' sustainability goals without putting a crimp in your meeting's effectiveness—or your meeting budget.

We are rooted in the places we call home and work to support our communities for the long term. Through our corporate citizenship efforts, the communities that we are part of experience the positive impact that our company and our people make.

Our local communities are of utmost importance to us, and we play an active role through volunteerism, economic contributions, in-kind support and advocating for social causes. Caesars gives triple the estimated average of U.S. corporations for every \$10 million in revenue.

THE WILL TO DO WONDERS

The Caesars Foundation is funded by operating income from Caesars properties. Since 2002, the Caesars Foundation has donated more than \$70 million to support our communities. Giving is focused on four main areas: helping older individuals, promoting a sustainable world supporting educational innovations and strengthening communities in which we operate.

CLEAN THE WORLD

One of Caesars' proud partnerships is with Clean the World, a charitable organization dedicated to saving lives and preserving the environment. Team Members collect discarded soaps and shampoos and send them to Clean the World, where they are recycled and distributed to at-risk communities around the world.

SECOND WIND DREAMS

This organization is dedicated to changing the perception of aging through the fulfillment of dreams and offering innovative educational opportunities to caregivers and communities. Caesars HERO volunteers assist in this effort at many properties. In Spring 2014, Las Vegas HERO volunteers joined an Elvis impersonator at the Silver Ridge Health Care Center to fulfill two dreams. Magdalena, age 100, and Marcia, age 58, were overjoyed to receive a special performance from their favorite singer. Magdalena even sang along with her favorite song, "Are You Lonesome Tonight?" This fulfilled dream has become a treasured memory for everyone involved.

TOGETHER WE MAKE A DIFFERENCE

- **Caesars HEROs volunteered nearly 200,000 hours in 2014**
- **Caesars U.S. societal contributions totaled more than \$4.5 billion in 2012**
- **Caesars U.S. property giving topped \$5.9 million in 2014**
- **Clean the World has distributed 1.6 million bars of soap based on Caesars contributions alone**
- **Caesars Foundation has provided \$1.1 million to Second Wind Dreams since 2008**

FORM AND FUNCTION

Showcase new products, produce a multi-track conference, hold a board meeting, or stage an awards banquet that will be remembered for years to come. Everything is possible in Harveys SPECIAL EVENTS CENTER.

At 9,230 square feet, the expansive EMERALD BAY BALLROOM at Harveys is an exceptional venue for exhibits, a keynote address, a large-scale banquet or a themed event. Ornately designed with 22-foot ceilings and exquisite chandeliers, the Ballroom can comfortably seat up to 1,000 in theatre style or provide the setting for a formal dinner for 750.

The EMERALD BAY ROOMS are also extremely versatile, specifically designed to also meet the needs of conferences with multiple break-out sessions, themed events, and small to mid-sized meetings. At the center are the A & B HALLS that can be combined for a total of 4,030 square feet, ideal for exhibits or assemblies for up to 425 attendees. Three additional rooms are located on each side, totaling 1,830 and 1,860 square feet respectively. These can be combined or separated to meet your specific event requirements.

When your event needs a display area or additional reception space separated from the banquet hall or meeting rooms, take advantage of the 6,210-square-foot EMERALD BAY PROMENADE, where up to 600 guests can mix and mingle while waiting for that extra-special event.

Meeting planners will especially appreciate the Emerald Bay PRE-FUNCTION AREA that adds an additional 2,666 square feet for conference registration, a welcome gathering space, or a reception area for up to 300 guests.

Also located in the second-floor SPECIAL EVENTS CENTER, the GARDEN ROOMS, with 1,512 and 1,026 square feet, are outstanding options for dining, training sessions, or additional meeting space. And if you're looking for an impressive setting for that important client conference, or just need a secluded retreat for planning and strategy sessions, we've got the solution. The 770-square-foot EXECUTIVE BOARDROOM and the 340-square-foot TAHOE BOARDROOM are set up with permanent conference tables for 20 and 12 people respectively. The 360-square-foot COMSTOCK BOARDROOM can be flexibly arranged for up to 30 guests.

The most awe-inspiring view in all of Lake Tahoe can be found on the 12th floor where the 2,140-square-foot TALLAC ROOM and the 1,795-square-foot ZEPHYR ROOM are wonderful retreats for intimate cocktail receptions or private meetings. Need more space? Take advantage of the full 3,969 square feet to accommodate up to 300 of your friends and colleagues.
