discover what's possible

At Dolce La Hulpe Brussels, we believe a meeting is not about the number of attendees, the business at hand or the players in the room. Instead, meeting is about going beyond, opening your mind to new ideas, finding unique ways to think and leaving with more than when you arrived.

Located in the heart of the Sonian forest, a UNESCO World Heritage Site and only 15 km from Brussels city center, Dolce La Hulpe Brussels is a 4-star conference hotel inspiring discovery.
