Located on 670 beautiful acres along the pristine shores of Reed's Bay, Seaview Resort offers a wide variety of activities for all to enjoy, any time of year. Easily accessible from several major metropolitan areas, yet far enough away from the hustle and bustle, this Atlantic City resort provides the perfect retreat to relax and unwind during your Jersey Shore vacation.

Take advantage of the many activities at our New Jersey shore hotel. From our two championship golf courses to our Elizabeth Arden Red Door Spa, there's something for everyone at Seaview.

If golf is your passion, our Atlantic City hotel is unrivaled. Choose from two well-known, professionally designed courses, the Bay Course or the Pines Course. The Donald Ross-designed Bay Course runs along Reed's Bay and has a distinctly Scottish feel. The Pines Course, designed by Howard Toomey and William Flynn, is more of a traditional American layout set among the Jersey pines. No matter which course you choose, you're sure to have an unforgettable golf experience at Seaview Resort.

If you prefer less activity and more relaxation during your New Jersey vacation, Seaview invites you to visit our Elizabeth Arden Red Door Spa. This on-site spa offers a complete menu of salon and spa services for both men and women. The perfect way to pamper yourself.

In addition to golf and our spa, our New Jersey shore resort has indoor and outdoor pools, a state-of-the-art fitness center and a new satellite art gallery from the renowned Noyes Museum of Art. Plus, we're located just

eight miles from the shopping, entertainment and dining of Atlantic City.
